## **"HORIZONS OUTLOOK NEWS"**

**MAY 2018**

### **President's Report:**

Welcome to the first of the new association, new look newsletters, we have commenced this in May 2018, as we are advertising SDESA Annual Subscriptions and SDESA Annual General Meeting notices. Our editor has titled the newsletter, "*Horizons Outlook News*" as we feel this supports our new projects and affiliations, we are looking forward in developing.

**VSASA Inc** has assisted us with a financial donation, to enable the association to carry out the change-over. It is hoped to see the new signage inside and outside the Centre transform over this month, plus the donation permits the association to upgrade much of its operational equipment. **It is with a great deal of gratitude that we express thanks to VSASA Inc and we acknowledge their contribution in assisting us in this way and over the past nineteen years.**

To celebrate this leap of faith, the committee has chosen **Wednesday the 4<sup>th</sup> July 2018** to commemorate with an '*Independence Dinner*' at the Centre. We have engaged Mark Bradford Catering of Yangan, to cater for the event with a two-course buffet style feast.

It is hoped that this will be a semi-formal occasion, with the men wearing suits or coats, with miniature medals and the ladies in their after five attire.

This month we will be hosting a **"Biggest Morning Tea" on Friday 25<sup>th</sup> May from 9.00am**, with all proceeds to Cancer Council. We will have a BBQ with Steakettes and Sausages on rolls, but if you would like to share a plate of 'goodies', all would be most welcome for this very worthy cause.

Congratulations to **Carol & Vince Galea**, on their wedding in April 2018, on behalf from the members, we wish you both a happy and enjoyable life together.

Compliments also to **Alwyn Cutmore and Alan Doust**, for completing their PTSD Course at Greenslopes. *(Both members recommend the course.)*

The Anzac Service at Maryvale for the school children and community, was well attended by members on the 20<sup>th</sup> April, as was the 'Redback's' Football Anzac Service on Saturday the 21<sup>st</sup>, I am grateful to all who attended those services. Eddie Marshall reported that the Eden Gardens Memorial Anzac Day Morning Service, was again very well attended and acknowledged members for the support and attendance.

We have called the last **Annual General Meeting** for **VSASA Warwick** on Friday, the **3<sup>rd</sup> August 2018 at 10.00am**. All business aspects will be received up to all positions being declared vacant. We will have a short break and continue the AGM as the **Southern Downs Ex-Services Association Qld Inc**, where all positions will be declared vacant and the Chairperson takes the election of office bearers for 2018/2019. The new Committee of Management will consist of; **President, Vice President, Treasurer and Secretary, plus (5) five Committee Members.**

The current Committee of Management will be in '**Caretaker Mode**' from the 1<sup>st</sup> July 2018, leading up to the election, as we changeovers to the new association. If you are a financial member for 2018-2019 and feel you would like to nominate somebody, or if you would like to serve a twelve-month term on the committee, then fill out the slips enclosed and hand in, or post to the secretary, before 1200hrs on Friday 27<sup>th</sup> July 2018.

It was sad news to hear of the passing of one of our members, **R51724 Geoffrey Michael COX (former RAN,)** on the 16<sup>th</sup> April 2018. Geoff has been a long-standing member of VSASA Warwick and members convey their condolence to his family.

I was originally going to take some holidays and enjoy my Army unit reunion, however due to my condition of emphysema, I will only take leave from the **21<sup>st</sup> April until the 10<sup>th</sup> May.**

***Your mate,  
Ken Ashton***

## Welfare & Pensions News:

It is anticipated that SDESA will come under the umbrella of the Brisbane West Region, of the **Advocacy Training and Development Program**. The Region 1 Executive met in February 2018, to welcome the new Region 1 Regional Manager, Dr Bob Grandin. This was a productive meeting that enabled key RIG Executive representatives to build relationships and consolidate the appointment of the new Regional Manager.

SDESA have projected later in the year to coordinate a **Welfare Level 1 F2F Consolidation Training Program** at the Centre, any members/persons who would enjoy attending the course, please register your interest by placing your name with the secretary.

VSASA has had a huge reputation in the past for Welfare, Pensions and Advocate involvement, due to the age and health of some of our members, the number of advocates has fallen away.

It is hoped that the 'younger veterans' will be able fill the void and join the team in **'Support Through Friendship and Understanding'**.

## **Court Mounting or Swing Mounting?**

### **what's the difference?**

Swing mounting is where the medals are mounted in such a way that they can swing freely on the mounting bar (*unseen from the front*). Court mounting is where the medals and their riband (*ribbons*) are fixed to a backing board so that they are rigid, and the riband can be easily seen behind the medal between the suspender and the top of the medal. We provide a fast-turnaround service for medal mounting. Usually within 72 hours provided there are no rare medals that require, hard-to-find riband to be sourced from overseas, or commemorative medals that are out of production and for which riband simply cannot be obtained.

**'NOTES FOR MEMBERS':**

The **1<sup>st</sup> July 2018**, commences the start of the new association, 'Southern Downs Ex-Services Association Queensland Incorporated'. This has been brought about by VSASA Inc, (Toowong) advising us that they will cease operating and close their doors, on the 20<sup>th</sup> November 2020. VSASA Warwick Auspice were recommended to give serious consideration to its future and take the necessary action accordingly, to be able to continue as a viable and independent association. This we have done, by raising the new association amidst a lot of enterprise.

We will be retaining the old membership number system, from VSASA Warwick Auspice, however, all future new applicants, will have new membership numbers. Any person who has been a financial member of VSASA Warwick Auspice last year, will now simply fill in the above form and send it back, to have continuous membership.

Your committee has not raised the annual subscription fees and kept it affordable for all. In due course, we anticipate having our own association plastic card printer, whereby all financial members will be provided with a new SDESA Qld Inc membership card.

## 1RAR Parades Bushmasters

The 1st Battalion, Royal Australian Regiment, marked a significant milestone in its history last week when it held a parade to officially incorporate its own organic Bushmaster protected mobility vehicles.

*1RAR Troops. 'On Parade'*

The battalion officially took control of 40 Bushmasters on the parade, with more to come – as well as Hawkei protected mobility vehicles-light, commencing later this year.

Commanding Officer 1RAR Lieutenant Colonel Benjamin McLennan said Friday 23 March marked a very significant day in the 73-year history of the 1st Battalion as it commenced its transition to a fully enabled protected mobility vehicle infantry battalion.

"The integration of protected mobility will significantly enhance our ability to expertly perform our enduring infantry role as part of a broader combined-arms team," Lieutenant Colonel McLennan said.

"Elements of our Support Company have used Bushmasters for several years already, but now the battalion is being provided Bushmasters for every platoon, company and headquarters.

"Furthermore, when we receive Hawkei later this year, the sum of both vehicles will enable a more protected and mobile 1RAR.

"The transition will involve us receiving around 100 vehicles all up over the next six months."

*BUSHMASTER protected mobility vehicles. Medium (PMV-M)*

Lieutenant Colonel McLennan said both new vehicles would not only afford 1RAR substantial enhancements in its ability to infantry role better, but also offered significantly improved mobility – to outperform the enemy; significant improvements in protection against enemy attacks; significant improvements in situational awareness – giving them greater ability to out-think an enemy; and, significant improvements to its sustainability – its ability to outlast the enemy.

### **Need a gift for your wife?**

Electrician Rob Wallace wanted to add a bit of spark to his marriage, so he gave his wife an apprenticeship. Recently returned from a six-year fly-in-fly-out in Mackay, Rob decided he wanted to work a little closer to home and start his own business, 'Rob Wallace Electrical and Air-Conditioning'.

However, as every tradie needs an apprentice, Rob had to look no further than his own home to find a perfect life and work partner in wife Theresa. "Being together has always been pretty awesome, I'm pretty lucky," Rob said about his wife of 27 years.

This wasn't the first time we have worked together either, we used to travel and do all sorts of jobs together, so I knew what I was getting into, Tereasa added, "Most people go to work to get away from their partners, but I can't really do that with mine, she joked.

While the task of electrical apprentice may seem daunting for some women Tereasa took to it in her stride. 'Women are more capable than they think; I've only been in it two weeks but I'm learning, Tereasa.

"Independence Day" this year is going to fall on a Wednesday, so we thought we would bring forward our 'Dine-In-Out Night' to,

**Wednesday the 4<sup>th</sup> July 2018 - 6.00pm.**

Your committee has decided our association would attempt a 'Formal Dining in Night' at our Centre, men in jackets/suits and ties, miniature medals, if you have a set, or large if not. Ladies in their warmest after fives.

A two course '**Buffett Style**' meal will be catered for the night, we offer; Roast meats, potato bake, baked pumpkin, carrots & beans plus, Dinner Rolls.

'**Desert Choice**' we offer; Pear & Raspberry Crumble, & Yoghurt Loaf Cake, all with Jelly and Ice Cream.

For this one night only, we will rescind our 'Standing Orders' and permit **BYO** Beer, Wine and Spirits. Soft drinks if you prefer.

(Tea and Coffee will be available throughout the night.)

Our '**heated**' Centre has been chosen to keep costs down, although tables will have white table cloths, napkins, silver service, wine and beer glasses.

We hope to have the inside decorated to suit the occasion and all members are invited to attend, we would warmly welcome family and friends.

(Only youth 18 years and older would be permitted, as there will be BYO alcohol on the night.)

Please place your name on the notice board or notify the secretary you are coming.

**- Cost \$20.00 per person.**

### The Naval Ode

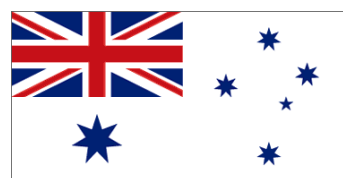

They have no grave but the cruel sea  
 No flowers lay at their head  
 A rusting hulk is their tombstone  
 A'fast on the ocean bed.  
 They shall grow not old, as we that are left  
 grow old:  
 Age shall not weary them, nor the years  
 condemn.  
 At the going down of the sun and in the  
 morning  
 We will remember them.
